For Immediate Release – September 13th, 2024

ARIA is Back with “Sci-Fi: A New Author Showcase and Book Signing Event” on Thursday, October 3rd, from 7:00 to 9:00 PM hosted by Borealis Coffee Company, 500 Wood Street, Bristol, RI

The Association of Rhode Island Authors (ARIA) is pleased to work with the Borealis Coffee Company once again to present a public event featuring Science Fiction novelists. These authors will also discuss their own books and accomplishments; with time set aside for Q&A, book signings and sales.

Here are our Featured Authors and their works:

Multi-talented Debra Zannelli will be presenting selections from her Sister World series. Deb has authored eight books in all. Her most recent book, *Return to Terah* debuted here at Borealis this past April.

R. K. Bentley is a classic sci-fi author. He’s been writing about worlds where magic, machines and mortals coexist since he was in Junior High School. His most recent, *Where Weavers Daire* has received rave reviews on Amazon’s Goodreads.

Johnson & Wales professor Kenneth Schneyer closes the evening with stirring works such as, *Anthems Outside Time & Other Strange Voices* and *The Law & the Heart*. Though he is originally a Detroit native, Ken has lived in Rhode Island for 33 years.

There is no cover charge for this event. Borealis offers coffee, soft drinks, food items and alcoholic beverages for purchase. We will be providing audience-style seating for Thursday. Please join us for this exciting evening!

ARIA is a non-profit organization that promotes the work of Rhode Island writers. ARIA members include published, and non-published, authors of both fiction and non-fiction. For additional details or to find out how to become an ARIA member see the ARIA website: <http://www.riauthors.org>
